14 Respondents' violations of the provisions of chapter 19.146 RCW and chapter 208-660 WAC, as set forth

RCW 19.146.205 License -- Application -- Exchange of fingerprint data with federal bureau of investigation -- Fee -- Bond or alternative.

...
(4)(a) Each applicant for a mortgage broker's license shall file and maintain a surety bond, in an amount of not greater than sixty thousand dollars nor less than twenty thousand dollars which the director deems adequate to protect the public interest, executed by the applicant as obligor and by a surety company authorized to do a surety business in this state as surety. The bonding requirement as established by the director may take the form of a uniform bond amount for all licensees or the director may establish by rule a schedule establishing a range of bond amounts which shall vary according to the annual average number of loan originators or independent contractors of a licensee. The bond shall run to the state of Washington as obligee, and shall run first to the benefit of the borrower and then to the benefit of the state and any person or persons who suffer loss by reason of the applicant's or its loan originator's violation of any provision of this chapter or rules adopted under this chapter. The bond shall be conditioned that the obligor as licensee will faithfully conform to and abide by this chapter and all rules adopted under this chapter, and shall reimburse all persons who suffer loss by reason of a violation of this chapter or rules adopted under this chapter. Borrowers shall be given priority over the state and other persons. The state and other third parties shall be allowed to receive distribution pursuant to a valid claim against the remainder of the bond. In the case of claims made by any person or entity who is not a borrower, no final judgment may be entered prior to one hundred eighty days following the date the claim is filed. The bond shall be continuous and may be canceled by the surety upon the surety giving written notice to the director of its intent to cancel the bond. The cancellation shall be effective thirty days after the notice is received by the director. Whether or not the bond is renewed, continued, reinstated, reissued, or otherwise extended, replaced, or modified, including increases or decreases in the penal sum, it shall be considered one continuous obligation, and the surety upon the bond shall not be liable in an aggregate or cumulative amount exceeding the penal sum set forth on the face of the bond. In no event shall the penal sum, or any portion thereof, at two or more points in time be added together in determining the surety's liability. The bond shall not be liable for any penalties imposed on the licensee, including, but not limited to, any increased damages or attorneys' fees, or both, awarded under RCW 19.86.090. The applicant may obtain the bond directly from the surety or through a group bonding arrangement involving a professional organization comprised of mortgage brokers if the arrangement provides at least as much coverage as is required under this subsection.
